Disconnected

We came together like a hurricane
Started rivers running through my veins
Dressed in love
Am Bm A
I can feel no pain
D
So connected

The light is changing, the night begins
Em A D Gadd9
She whispers softly into the listening wind
Em A D Gadd9
Who comes to rescue all my faded dreams within
Em A D
When will I ever find my second skin

We need no trappings, no nightgowns
We're living under cover in town
